You can be a master of flight!

Make your own paper aeroplane by following these simple steps.

-  1) Use one piece of white, rectangular paper.
-  2) Fold the paper in half lengthwise and slide your thumbnail across the fold.
-  3) Now open the paper and fold the top right corner down to meet the middle fold. Do the same to the top left corner.
-  4) Fold the top corners in again towards the middle, being careful to keep them even.
-  5) Fold the paper down the middle again, so that you have a long, skinny triangle.
-  6) At the bottom of the paper, fold one of the sides out and towards the middle. Now do the same with the other side.

Now you are ready to fly your aeroplane!

15 What will your paper look like at the end of Step 2?

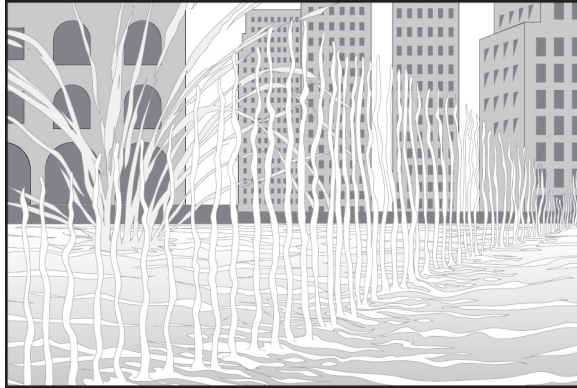

- a long triangle
- a small square
- a long rectangle

Holiday in Dubai

“Welcome back, Aysha!”

“Thanks, Salwa. I’m happy to be home.”

“How was your visit to Dubai?”

“Great! My Uncle Rashid and Aunt Amna showed my Dad, Mum and me around the city.”

“Where did you go? Did you see the Dubai Fountain?”

“Yes, we did. The Dubai Fountain was beautiful. The way the water moved with the music was amazing. We stayed there a long time. My favourite part of the trip was when Uncle Rashid drove us around the city at night. The buildings and all of the boats on Dubai Creek were lit up and looked delightful!”

“That’s really special. Oh, look, our class is starting now.”

“OK, we’ll talk more later.”
